Profile

I'm a former Israeli Air Force officer with experience in operations, project management and L&D. A certified systems implementation instructor, with a track record of building scalable processes and developing innovative learning programs from scratch. Experienced in managing client communications and executing external projects. Currently seeking an entry-level role in Customer Success / Operations Management.

Experience

Air-Ground Operations Manager (Reserve duty)

7 Oct 2023 - Jun 2024

IAF

- Served in the Israeli Air Force Strike Cell.
- Managed urgent operational missions for ground forces requiring Air Force support and coordination.
- Held end-to-end responsibility in a high pressure environment and multiple high-stakes tasks.
- Collaborated directly with senior leadership, including the Air Force Commander, the Minister of Defense, and media representatives.

L&D Project Manager

Jan 2022 - Aug 2023

IAF

- Managed a team of developers and successfully delivered 6 external projects.
- Handled customer communications & coordination with developers.
- Managed all aspects of 12 training programs: planning, execution, and evaluation.
- Initiated and led a project on performance analysis training for 50 senior officers, later expanded across the entire command.
- Recruited, and trained new instructors to meet the growing program needs.
- Founded a new division for commanders' qualification.
- Authored the unit's learning doctrine.
- Simultaneously held 2 command positions.
- Awarded 'Officer of Excellence' in the Air Control and Supervision Command, 2023.

Simulator Instructor

(Galaxy 100, Parliament, Masmer)

Mar 2020 - Aug 2021

IAF

- Trained new IAF HQ officers on Air Force operative systems for command, planning, and control.
- Co-established a tactical planning department in an operative unit and authored its Standard Procedures (SOPs).
- During Operation "Shomer Hachomot", acted as the senior officer's right hand and managed synchronization and coordination between the planning team and the field brigades.
