### Summary

Second-year B.Sc. student in Computer Science and Management at Tel Aviv University, with approximately two years remaining in my studies. Participant in the "Atidim" excellence program for industry and high-tech. Looking for a student position in computer science or related fields. Fast learner with high work ethic, excellent interpersonal skills, and ability to work independently under pressure.

### Education

**2022 – Present | B.Sc. in Computer Science and Management | Tel Aviv University**

**Expected Graduation: 2027**

Relevant courses: Introduction to Computer Science, Software 1, Data Science

### Academic Projects

Pac-Man Game Enhancement | Tel Aviv University

Enhanced a Java-based Pac-Man game using the Observer pattern.

**2017–2020 | High School Diploma | Ginsburg HaOren, Yavne**

- GPA: 115, Certificate of Excellence by Ministry of Education
- Majored in Physics, Electronics, and Computer Science

### Work Experience

**2015–2016 | Assistant to Commercial Manager & Customer Service Representative | Super-Pharm, Yavne**

- Managed orders, suppliers, and employee shift schedules
- Coordinated store operations and team workflows
- Conducted service training simulations and reward programs
- Provided high-quality customer service

**2018–Present | Private Tutor | Self-Employed**

- Teach Mathematics to students in-person and online (Zoom)
- Develop study plans and personalized materials
- Help students build strong conceptual understanding and motivation

### Military

**2021–2023 | Manpower Manager, Israel Defense**

- Planned HR allocation to support operational requirements
- Conducted data analysis and generated manpower reports
- Utilized databases and Excel-based tools for planning
- Presented key insights to command staff

Soft Skills: Fast learner, independent and proactive, excellent time management, thrive under pressure

Technical Skills: Microsoft Office, Java, Python, C#

Languages: Hebrew – Native | English – Fluent
